MARC TETRO v ANN TREBOUX

1:19-cv-02583

I request that the Court appoint a lawyer in the case. I have been homeless for over two years and can not afford a lawyer. I went to the NYLAG legal clinic in the basement of your courthouse about 20 times. I got the wrong answers to my questions from the interns there. When I asked to speak to a lawyer, I was told, "no". I had about 20 phone consultations with lawyers and the cost was far too much for me.

This case has caused me a lot of stress. I don't have access to the PACER system and the US District Courts in northern California don't have access to the PACER documents in your courthouse. I recently got out of the hospital. I was hit by a car. I don't have the money right now to travel to New York for an appearance on December 4, 2019. I request to do it by phone. My phone is 646-952-1175.

I have not been served on this case and the Motion for Alternative Service filed by plaintiff does not mention my email: trebouxann@yahoo.com. Plaintiff got that email from DCA Margaret Baumgartner of the SF City Attorney's Office. She should not have given that information to the plaintiff. I am the Appellant in a case in the California Court of Appeal. Anne Trickey, claimed I assaulted her on June 15, 2018 while she took photos at Marc Tetro's behest. These photos appear in the initial complaint in the case before you. They were not taken in 2017 but in 2018 by Anne Trickey.

Judge Castel, I was not selling "counterfeits" on March 3, 2019 on 5th Avenue. I was selling authentic prints. I was there once for less than three hours. Tetro has a copyright for 17 images not 50. They refuse to settle this case and want to put more allegations on me. I don't have a where house or an inventory of counterfeit prints. Please appoint me a lawyer so that I may prepare a defense.

Sincerely,

Dated: October 19, 2019
